ORCA™

(Prices shown below are per piece)

The high strength substitute for TYVEK®.

Orca™ is a high-strength lamination of polyethylene and paper. It is water & tear resistant. Lasts almost forever, but is 25% less expensive than Tyvek®, with a superior white printing surface.

TYVEK®

(Prices shown below are per piece)

Tyvek®, most famous for wrapping houses, protects the magnetic strip forever. We use 18#, not 11#, because 11# (used by others) is not stiff enough to be repeatedly inserted.
