

#10 Laser-Safe Window Envelopes

We stock #10 Window envelopes (window size, 1-1/8" x 4-1/2"; location, 7/8" left, 1/2" bottom) with laser-safe windows. These windows will not shrink, warp or distort when printed digitally, so when it comes to variable imaging do not think twice about the window film curling into a ball. That will not happen.

Available plain or custom printed in up to two colors on both sides.

Unprinted ships in 1-2 Business Days
Custom printed ships in 5-7 Business Days

NO EXTRA CHARGE FOR PRINTING THE SECOND SIDE WHEN USING THE SAME 1-2 COLORS AS ON THE FIRST.

FREE PRINTING
 on backside when colors are the same as on the face
