

Perfect-Bound #9 Business Reply Envelope (3-7/8" x 8-7/8")

24# white wove • In Stock for Imprinting

Created specifically for binding into Perfect bound books. These envelopes have a 1/2" perforated bind-in tab that glues into the spine. The head/foot trim is 3/16".

These perfect bound envelopes are not regular remittance envelopes with a fancy name. Their construction is totally different, which allows them to be sheared and bound into a publication without destroying the integrity of the envelope.

Available from stock plain, or printed in one or two colors.
