

Forget-Me-Not™ Business Cards

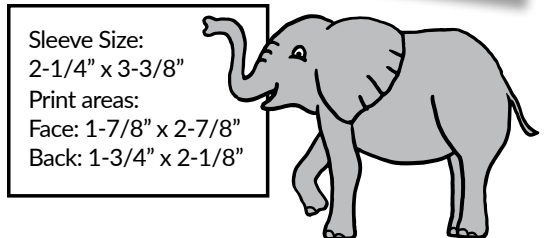

Business Cards that are Treasured!

When giving out Forget-Me-Not business card sleeves, simply mention that "This sleeve is my business card. Keep your credit card in it and it will swipe forever". Or in the case of RFID, "your highly confidential encrypted info cannot be stolen." Every time that credit card is used, you will be there, and thanked.

Printing in up to two colors on one or both sides. Your picture, in high-contrasting grayscale, makes great copy. Printing on the back is free as long as you use the same colors as on the front.

Send us your photo and copy, & we'll do the rest! \$50 flat.
