

## FULL-VIEW WINDOW ENVELOPES

6" x 9", 9" x 12" and 10" x 13" Sizes

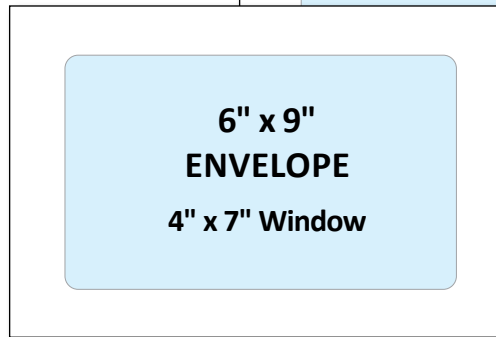

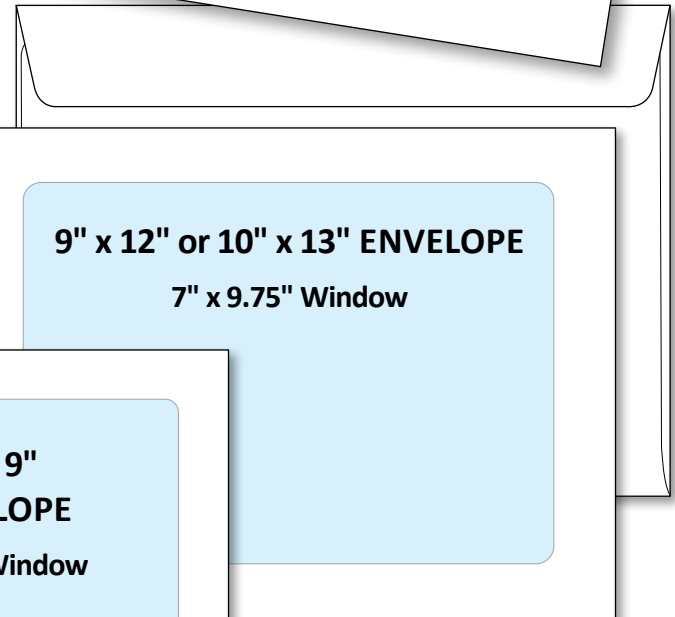

*In Stock and Ready to Ship in Quantities as low as 250*

If you're mailing one of your gorgeous sales brochures, let our full views deliver your message with élan.

We suspect the opening rate will be close to 100%, which is far higher than the opening rate for "conventional" envelopes.

If printing is required, that can be easily done along the 1" paper border.

We also offer full-view windows on all of our custom-manufactured booklet-style envelopes (open on the long dimension), from 3" x 5" up to 7" x 12".
